

Welcome to Emerald Coast Psychic

Im thrilled to introduce Emerald Coast Psychic , a new chapter in my journey of spiritual guidance and healing. This transition reflects my commitment to helping you navigate your transformative experiences.

Kate Beth's Background

Growing up in a family with generations of psychic abilities has been both a blessing and a curse. Over the past 20 years, I have honed my gifts, transforming them into powerful tools to benefit others. My journey has led me to become an expert in psychic and therapeutic services.

Being psychic is more than just a gift for me; it's a way of life. I was born with this ability and am proud to be part of a lineage of gifted women. My roots in Panama City, Florida, trace back over 100 years, with my grandmother, Madame Star , renowned as the psychic of Panama City Beach for decades. I have learned invaluable lessons from my ancestors and have made it my divine mission to help individuals like you unlock the power within and gain insight into the future that awaits.

Transition from Bay Psychic

Previously, I owned Bay Psychic , which was located on Ohio Avenue in Lynn Haven. This experience laid the foundation for my current practice, where I continue to offer personalized psychic and therapeutic services at Emerald Coast Psychic.

Trauma and Healing

As the Panama City Psychic, I understand the complexities of life and the trauma people experience. I endured years of mental, physical, and sexual abuse from my former stepfather, starting at the age of 11. After my mother's passing, I was forced into a marriage that mirrored that abuse. These experiences shaped my understanding of pain and resilience, allowing me to develop the ability to guide others through their struggles using my psychic talents and intuitive therapy. Together, we can untangle the web of emotions and move toward a brighter future.

I believe healing begins with understanding. My firsthand experience with the pain that arises from dealing with a narcissistic and alcoholic spouse, who also happened to be a sorcerer, has equipped me with unique insights. My ancestors blessed me with abilities to help others through tough times, and I now use these gifts to assist those facing similar circumstances. Whether you're struggling with a toxic relationship or feeling lost and disconnected, I am here to help you navigate your path and find peace and clarity.

Every day felt like an eternity until I decided to take control of my life. Leaving my abusive husband was a pivotal moment that allowed me to embrace my psychic gifts fully. My journey has been transformative, and now I offer a unique and compassionate approach to helping individuals find clarity, peace, and healing. My experiences give me insight into what others may be going through, and I use that knowledge to support them on their journeys.

A Journey of Love and Growth

After leaving my abusive marriage, I met my now-husband, who has been instrumental in my healing journey. Our relationship is a profound Twin Flame connection, filled with sacrifices and shared purpose. This journey has taught us valuable lessons about love, healing, and personal growth. We have invested our blood, sweat, and tears into nurturing and strengthening our bond, overcoming numerous challenges along the way.

Our journey has not been without its trials. We faced moments of doubt, interference from outside parties, and battles with demons, addictions, and generational curses. Yet, through unwavering faith and determination, we persevered. Now, after more than 19 years together and the blessings of three beautiful children, we have created a harmonious home filled with peace, joy, and abundance. Reflecting on our past, we do so with confidence, knowing we would choose the same path again. This deep sense of purpose fuels my work, as I believe it is my mission from God to assist others in accessing their destinies.
